High School Drama(Chp-1-2)

(This was my first story ever...soo...excuse all the mis spellings and the all over the placeness :P)

Chapter 1

It was a Tuesday, when the hottest guy in school came up to me, and asked ME to go to the prom with him. Out of all people, he asked *me.* Garrett Huggins, the finest boy you would ever see in Balten County. With dirty blonde hair and the most amazing hazel eyes.. He was the catcher for the baseball team. He also just broke up with his girlfriend Hilary(Score on my part), the popular evil witch brunette. While me, I was almost 5'7 in height, with layered, dirty blonde

hair that went to my shoulders. I had baby blue eyes and a adorable smile(from what I'm told) I wasn't in the popular group, though, I was a sporty kind of girl. I played Pitcher and 2nd for my high school team.

It was lunch time. Me and my friends, Madyson, who has brown hair that was scrunched up, with her red tank and blue jeans kinda tainted, and Annie, who was wearing a softball shirt and some khakis, were sitting there, talking, when I saw Garrett. His hazel eyes met my blue ones. He smiled at me, got up, and started coming my way.

"Kaylen, Garrett's coming!" Madyson said, while nudging my side with her elbow.

Garrett stopped in front of me, got down on one knee, and smiled.

We have been friends since 2nd grade, but this, looking into each other's eyes moment, hasn't happened since 5th grade. I was so in love then, but love then considered that butterfly feeling and holding hands.

"Hey." He said in that very deep voice of his.

“Hey.” I replied, smiling.

“So, since I don’t have a date for prom yet, I was wondering, would you like to come with me?”

I stared at him. *Is this for real?* I thought. “I-I-I would love to.” I stuttered.

Garrett then stood up and said, “Cool! I’ll see ya around, Kaylen.” Then he left.

“Bye Garrett.” I breathed.

Madyson and Annie stared at me in shock. “YOU HAVE A DATE WITH GARRETT HUGGINS!” Madyson shouted in excitement.

“Yeah, what she said.” Annie squealed.

I had to be the happiest girl ever! But then, Hillary wasn’t pleased. She started walking my way in her pink heels, with a matching pink vest jacket on top of a white shirt and a skirt.

“So, you and Garrett, my boyfriend, are going to prom I hear.” She sneered. Her green eyes enraged.

“Yeah, kind of, do you have a problem with it? Oh, and you mean *ex* boyfriend.” I said confidently.

“No, not really. Just that you’re going with a total hottie, when you’re a total nottey.” She laughed with Amber and Carson. The blonde minions were wearing the same thing as their queen bee.

“Really? Then why did Garrett break up with poor little you and asked me out? Oh, but you were right, I’m not just a hottie, ‘coz I’m smokin’ and I have real friends.” I said while laughing. Hilary just stood there, shocked that I defended myself.

When lunch was over, I got up and headed to class. Garrett had this Biology period with me. When I was headed out, Garrett came up and put his arm around me. I put my head on his shoulder. We got to class and took our seats. I also had this class with Lindsey. She was a blonde beauty with hazel eyes. We sat together and listened to Mr. Crook.

****

The day went by fast and we were on our way to the bus. I told Garrett that I’ll give him a call later, while Annie and I rode the bus.

“Kaylen, you and Garrett are going to dance at the Moonlight Dance! This has been your dream since fourth grade!” Annie said.

“I know! It’s now coming true! I never stopped believing that it would happen.” I said dreamily.

“All the girls will be jealous! ”

“I know, right?” We talked on and on, until the bus got to my house. I gave Annie a quick “Bye.” and got off.

I saw that my brother, Ryan, was already home. His truck was there. Ryan had blackish brown hair and was really tall. He was cute too, but he’s my brother. And we don’t like incest here. He’s going to college next year, to be a doctor.

I already did my homework in class, so I was good. I went outside where Ryan was playing basketball. He seemed happy. I wonder why?

“Why do you seem so happy, big bro?”

“Well, I asked Tiffany to the prom and she said YES!” Ryan had a huge crush on that girl since fifth grade.

She had pretty blonde hair and was as tall as Ry. She was gorgeous with pearly white teeth and …

“And if we stay together, I’ll propose to her in college.” That broke my chain of thought. He was so happy. I hope all goes well.

We played more ball until I got tired and went inside.

“Mom, guess what!”

"What is it?"

"Guess who asked me to prom?" I asked, smiling widely.

"Who?”

"GARRETT!" I screamed with delight.

"Garrett Huggins, he’s a nice boy." My daddy said.

"I’m happy for you sweetie."My mom said. I was done with my food and Ryan started telling our parents about Tiffany. I went to my room after dinner and checked my homework. I was so tired that I went to bed early.

****

I woke up to my alarm. I got up and brushed my hair and ate some breakfast. I got ready for school and headed out.

When I arrived at school I saw Madyson standing around.

"Hey, Mad." I said

Madyson saw me and ran over. “Hey Kaylen, so, I’m going dress shopping this Saturday, you wanna come? Annie’s coming and I’m going to ask Lindsey too.”

"Yea I'll come." Madyson and I walked over to Lindsey.

"Hey girls." LuLu said in her country voice. LuLu was her nickname, I don't remember exactly how she got it.

I wonder where Annie was? I saw Garrett pull up with his brother Holden. He had a black mustang. Garrett was the first one to come out. He was wearing a tight white shirt and jeans. He walked over to where I was.

“Hey, Kaylen, what’s up?”

"Nothing, I didn’t know Holden had a car."

"Yeah, I think the car looks sick."

"Yeah, and I know how much you love cars." I giggled. And he joined in with laughter.

“I don’t know why I didn’t ask you out in the first place, when we were in middle school.” I smiled at that.

The bell rang and we all went to class. My first period was History, Madyson, Annie and I had this class. Mrs.Hows taught us about … well, you know, history. The day went partley fast. Passing through the halls, bumping into Garrett. I still feel like this was all a dream, me and him that is.

The final bell rang and I walked out of my class to meet my brother at his truck

“How was your day?” Ryan brother asked.

“It was good, how was yours? Did you and Tiffany talk?” I asked back.

"My day was great and yes, we did talk. We sat at lunch together. And she gave me a goodbye kiss." He said laughing, wiggling his eyebrows on the last part. I used to tell Ryan that he should be a comedian. He always brings up something funny in everything he says.

Chapter 2

We got home and I called Annie.

"Hellllllllo?" I heard Annie pick up.

"Annie, why the heck did you miss school today?"I

"Well, I hurt my ankle while I was practicing catching."

"Oh, well, Madyson was wondering if you wanted to come along with us dress shopping Saturday?"

"Sure, why not. I don't have anything else to do."

"Great! Ryan will be taking is, so we'll be sure to pick you up saturday." I said with excitment.

"Alright, later." She said back and hung up.

Once I put down the phone, I did my homework and checked it over. I drifted off during my homework check over.

****

I woke up, but my alarm didn't go off. I checked the time and it was 11:23 already. WHAT? I got out of bed and went to Ryan's room to wake him up.

"Ryan, Ryan Get up!"

"No, go away!"

"Ryan, we're late for school"

"School was cancelled. They're having a planning day. They called last night." I sighed in relief.

"Oh, sorry." I went back to my room and laid down.

When I got up, it was 12:48. I went to the kitchen, made me a sandwich and got some chips. I stayed in my pajamas but I brushed my teeth and my hair. I called Madyson and Lindsey.

"Hey, you guys." I said into the phone

"Hey, I'm so happy they cancelled school, tomorrow and today!" Madyson said.

"Yeah, it’s nice not to have school once in a while." Lindsey said.

"Annie said she'll come, she didn’t go to school because she sprained her ankle."

"Oh, poor Annie." They both said at the same time.

"Hey guys, I have to go. Someone’s calling."

"Ok, bye Kaylen." I hung up and picked up the other line.

"Hello?" I said into the line

"Hey, it’s Garrett. I was wondering if you wanna go to the movies tonight?"

OMG! Garrett just asked me to the movies.

“Of course I will!

"Alright, cool. I'll pick you up at, Seven'ish?" He sad back.

"Sounds great!

"Ha, nice. Well, see you then” As soon as we hung up, I called Annie, Madyson, and Lindsey. Thanks to the man who made conference calls possible.

"OH MY GOODNESS, YOU GUYS, GUESS WHAT!!" I said excitedly.

"What, what, what is it!" They all asked eagerly.

"Garrett just called, and he asked for me to go to the movies with him!"

"OMG, REALLY?" Annie said, matching my excitement. We were all squealing and laughing talking about Garrett’s phone call.

"Yeah, okay, I have to go get ready, so talk to you guys later!" They all said bye and I hung up once again. I went and got on an American Eagle shirt and some jeans and my Nike’s. I heard someone knock on the front door. I rushed to open it and it revealed Garrett. He was wearing a leather jacket and a tight black shirt underneath, baby jeans and tom's.

“Ready to go?” He asked.

“Yeah, I’m ready.”

We went out and got into his car. We drove off to the movies, I don't know if he was nerves, but I sure was.

We went in and bought tickets to the new Harry Potter film. We went inside and sat down with our popcorn and sodas.

“Just like old times, huh?” Garrett declared.

“Yeah, I missed those days.” I replied.

We fell into a comfortable silence as the movie started. The movie was great, plus Garrett put his arm around me. It was kinda weird at first but it was alright. The movie ended and we left.

“Maybe we can do this again soon.” Garrett suggested.

“I would like that.” I said.

He and dropped me off at home. I took a shower and did my evening rituals. I already ate so I talked to my family in the dinner table. Afterwards, I went to my roomand I turned on the T.V. and watched until I slowly fell asleep.

"Its ok,its my falt!Im sorry!"Josh said trying to put a smilie on his face.

"So what did your dad do?"I asked

"Oh well I lived with my uncle and I still do!My uncle worked as an agent for stars and all!So alot of famouse people came over to my house!"

"Really,thats like awsome Josh!"I said,then I thought of Justin again!I dont know id I love him,I dont know if he loves me!And he told me he wasnt really big where he was from!But Josh said,and!Ugh.

"So mabey your uncle could help me become a singer,haha"I said laughig!But when I looked over at Josh,he had that smilie.The Annie smilie!Annie dose this wierd smilie when she has a idea,plus her ideas arnt ever the best!"What?"I asked"Thats not such a bad idea!"He said

You're on the phone with your girlfriend, She's upset

She's going off about something that you said

She doesnt get your humour like I do

I'm in the room, its a typical Tuesday night

I'm listening to the kind of music she doesnt like

And she'll never know your story like I do

But she wears short skirts, I wear t-shirts

She's cheer captain and I'm on the bleachers

Dreaming bout the day when you'll wake up and find

That what you're lookin for has been here the whole time

If you could see that I'm the one who understands you

Been here all along so why can't you see?

You belong with me

You belong with me

Walkin the streets with you in your worn out jeans

I cant help thinking this is how it ought to be

Laughing on the park bench thinkin to myself

Hey isnt this easy?

And you've got a smile that could light up this whole town

I havent seen it in awhile, since she brought you down

You say you find I know you better than that

Hey, Whatcha doing with a girl like that?

She wears high heels, I wear sneakers

She's cheer captain and I'm on the bleachers

Dreaming bout the day when you'll wake up and find

That what you're looking for has been here the whole time

If you could see that I'm the one who understands you

Been here all along so why can't you see?

You belong with me

Standin by, waiting at your back door

All this time how could you not know that?

You belong with me

You belong with me

Oh I remember you driving to my house in the middle of the night

I'm the one who makes you laugh when you know you're about to cry

I know your favorite songs and you tell me about your dreams

I think I know where you belong. I think I know it's with me.

Can't you see that I'm the one who understand you?

Been here all along so why can't you see?

You belong with me

Standing by or waiting at your back door

All this time how could you not know that

You belong with me

You belong with me

Have you ever thought just maybe

You belong with me

You belong with me

When I finished,I looked over at Josh!HE had an amazed face on,that shocked me!"Wow,that was like wow,and you where like!Amazing!"He told me I blushed!"Why thank you!"I said

She was amazing at singing,I know Uncle D can hook her up!She smilied,I loved it that she smilied!Justin was lucky,he always was the lucky one!He better treat her right,or I will come and hunt him down!"So come on,the sooner we hook you up,the sooner you can get a recored deal!"I said,she got up and we walked to my house,its right on the beach.Its nothing fancy,just your normal beach house!

We walked in and I yelled for Uncle D!"Whats your uncles name?"She asked"DAvid!"I said,she noded and we sat down,Uncle D came in,he had on some baby shorts and a light blue beach shirt and his hair spicked up in a mohawk!"Yoy yo litte dude,and girl?"He said!"Uncle D,this is Kaylen"

"Ohhhh,he never shuts up about you,haha"He told her,She blushed he laughed,I was mad!"Og course,if you say shes a good singer,then sure!"HE said,yes!

They had the same faces of what Josh had,amazed!"That was just wonderful!"They all clapped,Agent D told me to go outside of the room while he did paper work.I steped out and Josh came up to me"Follow me!"He said,we took a right,then up some stairs,then a left and right,then up some more stairs,then we went into a door!It was a recrding studio!Josh handed me a peace of paper.It was a song!Josh pointed at me and I began!

(Not my song I wrote,act like Josh did tho!)

You got my eye

And I'm tryin' to holla at ya

You're walking by

And I trip on the furniture

I'm on my ride down

Won't stop movin'

And I don't know exactly what I'm doin'

I see you shake,shake,

And I'm spinnin'

It's like a one win race

Yeah,I'm winnin'

I'm all dizzy when you're here with me

So,let's bring the heat

CHORUS

Cause' there ain't nothin' to it

Just gotta do it

You got to own it,own it

Move to the beat of

Your own drum

When it's hot like that(Burn it up like that)

Move to the beat of

Your own drum

When you got it like that(Yeah,it's hot like that)

Eh Eh

Gotta make it say

Eh Ehhh

So

Bang A Drum

Bang A Drum

You got me floatin' ten feet

Off the ground

It's like whoa

I'm up

And I can't come down

My heart's pumpin'

And it's workin' overtime

I got the crazy butterflies

We're doin' it right

When we work together

I'll give up my side

It don't get better

If you want my team

Gotta figure it out

It's you and me

No doubt,

CHORUS

Bang A Drum

You gotta Bang A Drum

Turn it up

Bang A Drum

Yeah

Bang A Drum

Turn it up

Bang A Drum

You got my eye

And I'm tryin' to holla at ya

You're walking by

And I trip on the furniture

I'm on my ride down

Won't stop movin'

And I don't know exactly what I'm doin'

I see you shake,shake,

And I'm spinnin'

It's like a one win race

Yeah,I'm winnin'

I'm all dizzy when you're here with me

So,let's bring the heat

CHORUS

Bang A Drum

Gotta Bang A Drum(Turn it up)

Bang A Drum

Yeah,Bang A Drum(Turn it up)

Bang A Drum

Bang A Drum(Turn it up)

Bang A Drum

Gotta Bang A Drum(Turn it up)

Bang A Drum

"I thought of what I just told her,I didnt love her.Its true,I love Annie! The way Annie laughs cracks me up,the way she always trys to look confuse makes me smile!What ever she dose I laugh and smile,Kaylen just shows me feeling,not that much laughter!And

Annie has what I want!I may have broke her,but its all I needed. I was crying yes,but what for?

I walked faster and into the road,it was pretty dark and I couldnt see,I walked tnto the road.And out of no wear lights went on me,my heart raced"AAAHH"I yelled,darkness went around me! Am I dead?I asked myself.Am I alive?What just happened?Wheres my mom,wheres my dad,where my sisters?"Kaylen,I know you cant hear me but,I hope your ok!"I herd a voice say"But I can hear you!"I said,but nothing came out,the words didnt come out!Actully,I wished I was dead,so I would be away from this world! "I brought you flowers,I hope you like them!"I knew who it was now!It was Josh,after leaving him in a rush,he comes back for me!The darkness in my eyes flow away.My vesion was horrable"Good,your awake"He told me kissing my forhead"What happened?"I asked,my voice so small.But so big in my head,I thought of the car coming and hitting me,did it not see me?"A car,it came and hit you,its been about 7 hours sence your accident"He said,he looked at the clock"I think I may stay tonight!"He smilied,so did I."Im sorry"I said,my eye lids closing"Dont be,I love you"

My eyes closed,and I was into darkness again!"JOSHH!!!!"My legs,they had pain all over them,it was spreading like wild fire,they where numb,so numb!

"Wht is it?"He was now on my bed side,holding my hand.

"My legs,I cant feel my legs Josh!Help me!"He was now shacking more then me!"Im going to help,dont worry Kaylen,im going to help you!"

He stepped out of the room to calll a doctor.

I went to the waiting room to wait,I saw Justin.Why is he hear,hes the reason for the car to hit her!

"What are you doing here?"My voice threating

"Waiting for my girlfriend!"

"If you cared you would have been in her room by her side the hole time!"I wanted to fight,but I knew I couldnt do that."Shut up,shut up now!"He was angrey."Guys,guys,guys"Madyson began

"You to dont need to fight,just talk!"Madyson smilied.

"Ok,well Kaylen is my girlfriend"

"But she likes me!"We where at it,let the talking Facts begin!

"But I went to prom with her"

"But did a boat ride with her"

"But I know her"

"Well I Love her!"The room went to a deadly silnce

"Do you,do you truly love her Justin?"

"No....."He whispred

"WHat,we couldnt hear you!"

"No."

"What?"

"I DONT LOVE HER OK!!!"The girls looked at each other,then at me.

"Who do you love?"Lindsey asked

"Annie!"Annie went from sad car accident,to mentel chick!Her mouth dropped

"Justin,I dont know you,I dont like you,I dont care for you,I dont even Love you!"His eyes filled with

tears,he walked off,slowly waiting for Annie to change her mind,but she wasnt!

"Well,what a night,huh?'Madyson began"Kaylen getting hit by a car,then Justin,the guy of her dreams tells us that he dosnt love her,then tells Anie he loves her,then Josh saying also that he loves Kaylen!I think thats all alot for one night!"She said,we all kind of laughed because it sounded kinda stupied,and it was to much for one night!

Chapter 14

The doctor walked towreds us,I expected Kaylen to be walking around the corner to,but I was wrong.It was just the doctor....

"Is kaylen ok?"we all asked,her mom and dad are upstairs with her.

"Shes fine,just she needs some really bad treatment on her legs,if she dosnt have this speciol kind of treatment,then she may be peralized forever!"This made my head ach,"How much money is the treatment?"We all asked,we wanted to know.To make our friend better,then we will do it!

"$45,500"We all droped our mouths"THATS ALOT!!!"Annie said

"Well,it can save her life from no legs,and its a long surgery,so we need the money to do it!"We all nodded,we better do big fun raisers.

The pain has eased and I still couldnt feel my legs,I wish this hadnt of happened!I wanted to get up and walk out of the hospital,I just wanted to go home now.I could care less about being famouse,or even love.I didnt care for freands,or family!Why couldnt I just die?Why couldnt I just be put out my miserey? Why couldnt I walk?Why couldnt I?

I feel so lonly,I feel so emtey,I didnt have any feelings!The world was just one little thing to me right now!

Josh told me he loved me,and Justin told me he had no feelings for me,I thought of stuff,thought of life! Then I thought of singing,how much it lets me go wild!So I decided to sing,I wanted to sing fearless,because I have no fear right now.....

There's somethin' 'bout the way

The street looks when it's just rained

There's a glow off the pavement

You walk me to the car

And you know I wanna ask you to dance right there

In the middle of the parking lot

Yeah

Oh yeah

We're drivin' down the road

I wonder if you know

I'm tryin' so hard not to get caught up now

But you're just so cool

Run your hands through your hair

Absentmindedly you're makin' me want you

And I don't know how it gets better than this

You take my hand and drag me head first

Fearless

And I don't know why but with you I'd dance

In a storm in my best dress

Fearless

So baby drive slow

'Til we run out of road in this one horse town

I wanna stay right here in this passenger's seat

You put your eyes on me

In this moment now capture it, remember it

Cause I don't know how it gets better than this

You take my hand and drag me head first

Fearless

And I don't know why but with you I'd dance

In a storm in my best dress

Fearless

Well you stood there with me in the doorway

My hands shake

I'm not usually this way but

You pull me in and I'm a little more brave

It's the first kiss,

It's flawless,

Really something,

It's fearless

Oh yeah

Cause I don't know how it gets better than this

You take my hand and drag me head first

Fearless

And I don't know why but with you I'd dance

In a storm in my best dress

Fearless

Cause I don't know how it gets better than this

You take my hand and drag me head first

Fearless

And I don't know why but with you I'd dance

In a storm in my best dress

Fearless

Oh, oh yeah

Life is preacious and maybe, its time to start living mine to the fullest. I don't need a fancy arrangment. I just need my friends and family. All you need is love, and that's exactly what I need and have.
